Fuel Levy — Effective 1 March 2026

Due to the ongoing restrictions and cost of fuel, a fuel levy is required. This is a cost recovery levy and will be reviewed when restrictions and costs change.

Diesel Price (per litre)	Levy Applied
Up to \$1.70	No levy
\$1.70 – \$2.00	10% surcharge
\$2.00 – \$2.40	15% surcharge
\$2.40 – \$2.80	20% surcharge

Terms & Conditions

1. All rates are quoted exclusive of GST. GST of 10% applies to all charges.
2. Rates are for wet hire (machine plus operator) unless otherwise agreed in writing.
3. A minimum hire period of 4 hours applies to all equipment.
4. Mobilisation and demobilisation charges may apply depending on site location and are quoted separately.
5. Hire time is calculated portal to portal — from the time the machine leaves our yard until it returns, including travel to and from site.
6. The client is responsible for providing safe and suitable site access for all equipment.
7. Irwin Civil Contractors reserves the right to withdraw equipment from site if conditions are deemed unsafe.
8. Payment terms are 14 days from date of invoice, on approved accounts. New clients may be required to apply for credit terms.
9. A fuel levy will be applied in accordance with the schedule above, based on the average retail diesel price for the billing period.
10. Rates are subject to change with 30 days written notice. Agreed project rates will be honoured for the duration of the engagement.
11. Cancellations within 24 hours of scheduled start may incur a cancellation fee.
12. Irwin Civil Contractors holds current public liability and workers compensation insurance. Certificates of currency available on request.
